Thank you for considering taking part in this research. The person organising the research must have provided information on the project to you before you agree to take part. If you have any questions arising from the Information Sheet or explanation already given to you, please ask the researcher before you decide whether to join in.

I confirm that I understand that by ticking the consent box below, I am consenting to statements listed below. I understand that by not giving consent for any of the statements below that I may be deemed ineligible for the study:

1. I confirm that I have read and understood the Information Sheet for the above study. I have had an opportunity to consider the information and what will be expected of me. I have also had the opportunity to ask questions which have been answered to my satisfaction and would like to take part in the survey.
2. I understand that all personal information will remain confidential and that all efforts will be made to ensure I cannot be identified. I understand that my data gathered in this study will be stored anonymously and securely. It will not be possible to identify me in any publications.
3. I understand that my information may be subject to review by responsible individuals from the University (Department of Experimental Psychology, UCL) for monitoring and audit purposes
4. I understand the potential risks of participating and the support that will be available to me should I become distressed during the course of the research.
5. I understand no promise or guarantee of benefits have been made to encourage me to participate.
6. I understand that the data will not be made available to any commercial organisations but is solely the responsibility of the researcher(s) undertaking this study.
7. I understand that I will not benefit financially from this study or from any possible outcome it may result in in the future.
8. I understand that I will be compensated for the portion of time spent in the study or fully compensated if I choose to withdraw.
9. I agree that my anonymised research data may be used by others for future research. (No one will be able to identify you when this data is shared)
10. I understand that I can withdraw my data up until 1 week after participation, and I must do so in writing (for example via email to the researcher).
11. I have informed the researcher of any other research in which I am currently involved or have been involved in during the past 12 months.
12. I am aware of who I should contact if I wish to lodge a complaint.
13. I would be happy for the data I provide to be archived at the Department of Experimental Psychology, UCL. I understand that other authenticated researchers (including those outside the EEA) will have access to my anonymised data.

I give my consent
